Dear Key Appointment Holder and EA Personnel

We would like to inform you that MOM will be recognising Cambodia as an approved Foreign Domestic Worker (FDW) source with effect from 1 October 2016.

2 From 1 October 2016, all EAs will be allowed to bring in Cambodian females to work as FDWs in Singapore. As with FDWs from other source countries, Cambodian FDWs must meet the prevailing entry requirements to work in Singapore, i.e. at least 23 years of age and minimum 8 years of formal education. All EAs are reminded to ensure that the FDWs brought in to Singapore meet our entry requirements.
