Less than two months remaining to register employment agency personnel

Under the amended Act, employment agency personnel who perform employment agency work must be registered with the Ministry of Manpower.

We strongly encourage employment agencies to register all their personnel who perform employment agency work **by 30 June 2011** using the Online Business Licensing System (OBLIS). All key appointment holders and employment agency personnel who register before 1 July 2011 will have until 31 Mar 2012 and 31 Mar 2014 respectively to attain the Certificate of Employment Intermediaries (CEI).

From 1 July 2011 onwards, only persons registered with MOM will be allowed to perform employment agency work. Employment agency personnel will also need to first attain CEI before they can register with MOM to perform employment agency work.
