

EA Alert Dated: 13 Mar 2018

EA alert (04/2018): New Work Pass Cards for Foreign Domestic Workers (FDWs) when you issue or renew their passes from 20 March 2018

Dear Key Appointment Holders and Employment Agencies Personnel

MOM has earlier introduced a new Work Pass (WP) card with a Quick Response (QR) code for Work Permit holders. We also launched a free mobile application, known as SGWorkPass, that allows you to check the status, expiry date and other pass details using your mobile device. The SGWorkPass can be downloaded from Google Play or Apple App Store.

You will receive these new WP cards when you issue FDWs passes from 20 March 2018. All existing WP cards will remain valid and FDWs will receive their new WP cards when they renew their work passes. Employers or employment agencies will be informed of the change when they apply for issuance or renewal of the pass.

For more information on the new WP card and SGWorkPass, please visit [www.mom.gov.sg/sgworkpass](http://www.mom.gov.sg/sgworkpass).

Yours sincerely  
Work Pass Division
