Crane Operators (CO)

Note:

1. The information provided in this listing is accurate as at **01 March 2024**.

2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years. The cards are replaced upon the CO's successful renewal of registration at the end of the validity period. They shall produce the cards for identification purposes if necessary.

3. The listing provided is for awareness purposes only.

It is for restricted use in the context of this document and should not be further reproduced without permission, in writing.

The information herein may not be complete at the time of publishing and hence should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this listing is accurate as at **01 March 2024**.

2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years. The cards are replaced upon the CO's successful renewal of registration at the end of the validity period. They shall produce the cards for identification purposes if necessary.

3. The listing provided is for awareness purposes only.

It is for restricted use in the context of this document and should not be further reproduced without permission, in writing.

The information herein may not be complete at the time of publishing and hence should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this listing is accurate as at **01 March 2024**.

2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years. The cards are replaced upon the CO's successful renewal of registration at the end of the validity period. They shall produce the cards for identification purposes if necessary.

3. The listing provided is for awareness purposes only.

It is for restricted use in the context of this document and should not be further reproduced without permission, in writing.

The information herein may not be complete at the time of publishing and hence should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this listing is accurate as at **01 March 2024**.

2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years. The cards are replaced upon the CO's successful renewal of registration at the end of the validity period. They shall produce the cards for identification purposes if necessary.

3. The listing provided is for awareness purposes only.

It is for restricted use in the context of this document and should not be further reproduced without permission, in writing.

The information herein may not be complete at the time of publishing and hence should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this listing is accurate as at **01 March 2024**.

2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years. The cards are replaced upon the CO's successful renewal of registration at the end of the validity period. They shall produce the cards for identification purposes if necessary.

3. The listing provided is for awareness purposes only.

It is for restricted use in the context of this document and should not be further reproduced without permission, in writing.

The information herein may not be complete at the time of publishing and hence should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this listing is accurate as at **01 March 2024**.

2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years. The cards are replaced upon the CO's successful renewal of registration at the end of the validity period. They shall produce the cards for identification purposes if necessary.

3. The listing provided is for awareness purposes only.

It is for restricted use in the context of this document and should not be further reproduced without permission, in writing.

The information herein may not be complete at the time of publishing and hence should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this listing is accurate as at **01 March 2024**.

2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years. The cards are replaced upon the CO's successful renewal of registration at the end of the validity period. They shall produce the cards for identification purposes if necessary.

3. The listing provided is for awareness purposes only.

It is for restricted use in the context of this document and should not be further reproduced without permission, in writing.

The information herein may not be complete at the time of publishing and hence should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this listing is accurate as at **01 March 2024**.

2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years. The cards are replaced upon the CO's successful renewal of registration at the end of the validity period. They shall produce the cards for identification purposes if necessary.

3. The listing provided is for awareness purposes only.

It is for restricted use in the context of this document and should not be further reproduced without permission, in writing.

The information herein may not be complete at the time of publishing and hence should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this listing is accurate as at **01 March 2024**.

2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years. The cards are replaced upon the CO's successful renewal of registration at the end of the validity period. They shall produce the cards for identification purposes if necessary.

3. The listing provided is for awareness purposes only.

It is for restricted use in the context of this document and should not be further reproduced without permission, in writing.

The information herein may not be complete at the time of publishing and hence should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this listing is accurate as at **01 March 2024**.

2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years. The cards are replaced upon the CO's successful renewal of registration at the end of the validity period. They shall produce the cards for identification purposes if necessary.

3. The listing provided is for awareness purposes only.

It is for restricted use in the context of this document and should not be further reproduced without permission, in writing.

The information herein may not be complete at the time of publishing and hence should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this listing is accurate as at **01 March 2024**.

2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years. The cards are replaced upon the CO's successful renewal of registration at the end of the validity period. They shall produce the cards for identification purposes if necessary.

3. The listing provided is for awareness purposes only.

It is for restricted use in the context of this document and should not be further reproduced without permission, in writing.

The information herein may not be complete at the time of publishing and hence should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this listing is accurate as at **01 March 2024**.

2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years. The cards are replaced upon the CO's successful renewal of registration at the end of the validity period. They shall produce the cards for identification purposes if necessary.

3. The listing provided is for awareness purposes only.

It is for restricted use in the context of this document and should not be further reproduced without permission, in writing.

The information herein may not be complete at the time of publishing and hence should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this listing is accurate as at **01 March 2024**.

2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years. The cards are replaced upon the CO's successful renewal of registration at the end of the validity period. They shall produce the cards for identification purposes if necessary.

3. The listing provided is for awareness purposes only.

It is for restricted use in the context of this document and should not be further reproduced without permission, in writing.

The information herein may not be complete at the time of publishing and hence should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this listing is accurate as at **01 March 2024**.

2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years. The cards are replaced upon the CO's successful renewal of registration at the end of the validity period. They shall produce the cards for identification purposes if necessary.

3. The listing provided is for awareness purposes only.

It is for restricted use in the context of this document and should not be further reproduced without permission, in writing.

The information herein may not be complete at the time of publishing and hence should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this listing is accurate as at **01 March 2024**.

2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years. The cards are replaced upon the CO's successful renewal of registration at the end of the validity period. They shall produce the cards for identification purposes if necessary.

3. The listing provided is for awareness purposes only.

It is for restricted use in the context of this document and should not be further reproduced without permission, in writing.

The information herein may not be complete at the time of publishing and hence should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this listing is accurate as at **01 March 2024**.

2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years. The cards are replaced upon the CO's successful renewal of registration at the end of the validity period. They shall produce the cards for identification purposes if necessary.

3. The listing provided is for awareness purposes only.

It is for restricted use in the context of this document and should not be further reproduced without permission, in writing.

The information herein may not be complete at the time of publishing and hence should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this listing is accurate as at **01 March 2024**.

2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years. The cards are replaced upon the CO's successful renewal of registration at the end of the validity period. They shall produce the cards for identification purposes if necessary.

3. The listing provided is for awareness purposes only.

It is for restricted use in the context of this document and should not be further reproduced without permission, in writing.

The information herein may not be complete at the time of publishing and hence should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this listing is accurate as at **01 March 2024**.

2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years. The cards are replaced upon the CO's successful renewal of registration at the end of the validity period. They shall produce the cards for identification purposes if necessary.

3. The listing provided is for awareness purposes only.

It is for restricted use in the context of this document and should not be further reproduced without permission, in writing.

The information herein may not be complete at the time of publishing and hence should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this listing is accurate as at **01 March 2024**.

2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years. The cards are replaced upon the CO's successful renewal of registration at the end of the validity period. They shall produce the cards for identification purposes if necessary.

3. The listing provided is for awareness purposes only.

It is for restricted use in the context of this document and should not be further reproduced without permission, in writing.

The information herein may not be complete at the time of publishing and hence should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this listing is accurate as at **01 March 2024**.

2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years. The cards are replaced upon the CO's successful renewal of registration at the end of the validity period. They shall produce the cards for identification purposes if necessary.

3. The listing provided is for awareness purposes only.

It is for restricted use in the context of this document and should not be further reproduced without permission, in writing.

The information herein may not be complete at the time of publishing and hence should not be used as a formal reference for legal arbitration.
