EA Alert (12/2016): YouTube Video which Showcased Three FDWs' Positive Experiences Working with Their Singaporean Family

Dear EA Personnel,

We would like to share with you a heart-warming video that was recently released on YouTube titled "Maid or Family". The video features stories of three foreign domestic workers (FDWs) - their positive experiences working in Singapore, and the harmonious relationships they enjoy with their employers' family. The video can be viewed at this link. <https://www.facebook.com/JustKeepPlayin/posts/937317063052433>.

We think this is a video that could inspire FDWs and employers to build a good relationship with one another. We encourage you to screen this video at your agency if possible, or let your FDW and employer clients know about the video, so that they have the chance to view this too.

Thank you.

Yours Sincerely,

Brian Wong
