

Dear Key Appointment Holder and Employment Agency Personnel

This alert is for employment agencies (EAs) that perform Migrant Domestic Workers (MDWs) placement.

We have reviewed the amount of personally identifiable information that employers and MDWs are required to provide in the Safety Agreement. Specifically, employers are no longer required to provide their residential address and mobile phone number. Both employers and MDWs will only need to provide their full name, and the redacted NRIC number/FIN and work permit number respectively (instead of the full identification number). This is to protect the confidentiality of the employer's and MDW's personal information.

The revised Safety Agreement is effective immediately and can be downloaded from [MOM website](#). Please ensure that all placements from are signed using the revised Safety Agreement. If you require further clarifications, you may write in to mom_fmmd@mom.gov.sg.

Thank you.

Yours sincerely,

Adrian Quek
Commissioner for Employment Agencies
