ANNEX

LED Scheme: Integrated Support

Company profile

Challenging to grow revenues / profits

Challenges

- · Hard to attract & retain locals
- Over-reliance on foreign manpower
- · Workforce lacks skills
- · Inefficient processes

2-year project

Proposed Solutions:

Skills development for Singaporeans

Possible LED Support:

- 1. Project funding
- Capability Development Grant
- Enterprise Training Support
- iSPRINT
- Inclusive Growth Package
- Automation Support Package
- 2. Temporary foreign worker flexibility

Future

Company profile

Sustained growth in revenues / profits

Desired LED outcomes

- · More manpower-lean
- · Stronger Singaporean core
- · Better quality workforce
- More competitive and futureready businesses
