

Expanded FDW-placing Employment Agency Directory

Note:

1. The information provided in this listing is accurate as at 15 Dec 2009. The next update to this directory will be made in 18 Jan 2010
2. Every effort has been made to ensure that the information provided is accurate as of the above-mentioned date. No legal responsibility will be accepted should any errors, misleading statements or omissions occur.

Explanatory notes for the EA Directory

1. EA Placement Volume

"EA placement volume" is defined as the number of Foreign Domestic Workers (FDWs) with work permit issued and were placed to employers by the respective EA in the preceding 12 calendar months (i.e. between Dec 2008 to Dec 2009). The placement volumes of EAs are grouped into the following five bands with their current ranked percentile range (as per table below). Please note the calculation of the placement volume is based on the existing EA licence issued (i.e. license which is valid as at 15 Dec 2009)

Placement volume Band	Ranked Percentile
>250	84th to 100th Percentile
101 - 250	62nd to 83rd Percentile
20 - 100	34th to 61st Percentile
1 - 19	17th to 33rd Percentile
0	1st to 16th Percentile

Illustration: An EA who has placed > than 250 FDWs in the last 12 calendar months is ranked between 84th to 100th Percentile which is within the top 16% of EAs (with valid EA license as at 15 Dec 2009), in terms of placement volume.

2. EA Retention Success Rate

The "EA retention success rate" is defined as the percentage of FDWs that were placed by the EA successfully (on or after 1 Jan 2004) and had stayed with the same employer for at least 365 days. Please note the calculation of the EA's retention success rate is based on the successful placement volume (made on or after 1 Jan 2004) under the existing EA Licence. For example, any EA license, which is valid as at 15 Dec 2009 , will be included in the tabulation. A retention success rate of 50% means that on average, 1 in 2 FDWs placed by the EA stayed with the same employer for at least 365 days after placement.

The retention success rates of EAs are grouped into the following five bands with their current ranked percentile range.

Retention Success Rate band(%)	Ranked Percentile
>65%	97th to 100th Percentile
51 - 65%	91st to 96th Percentile
35 - 50%	50th to 90th Percentile
1 - 34%	18th to 49th Percentile
0%	1st to 17th Percentile

Illustration: An EA placed 10 FDWs on and after 1 Jan 2004. As at 15 Dec 2009 , 8 of the 10 FDWs had remained in employment with their official employer for at least 365 days. The retention successful rate will be 80% (i.e. > 65%). This EA will be ranked in between 97th to 100th Percentile(top 3%) of the EAs (of licenses are valid as at 15 Dec 2009) in terms of retention success rate.

3. EA Entry Test Passing Rate

The EA entry test passing rate reflects the percentage of FDWs, placed by an EA (of which license is valid as at 15 Dec 2009), who have passed the entry test between 1 Dec 2008 to 30 Nov 2009. For example, a passing rate of 50% means that on average, 1 in 2 FDWs placed by the EA who have passed the entry test between 1 Dec 2008 to 30 Nov 2009. If an EA scores "N.A." in this category, it means that the EA has not sent any first-time FDWs to sit for the entry test between 1 Dec 2008 to 30 Nov 2009.

The passing rate of EAs are grouped into the following six bands, with their current ranked percentile range.

Passing Rate(%)	Ranked Percentile
100%	63rd to 100th Percentile
75 - 99%	4th to 62nd Percentile
50 - 74%	1st to 3rd Percentile
25 - 49%	No EA is ranked within this range
1 - 24%	No EA is ranked within this range
0%	No EA is ranked within this range

Illustration: An EA had sent 10 FDWs for the 1st time FDW entry test between 1 Dec 2008 to 30 Nov 2009. All 10 FDWs passed the test. The EA Entry Test Passing Rate will be 100%, which falls within the category of 100%. This rate is ranked within the 63rd to 100th Percentile of the EAs (of licenses are valid as at 15 Dec 2009) in terms of entry test passing rate.

4. Accreditation Body

EAs placing foreign domestic workers (FDW) are required to be accredited if they have been in operation for more than one year. EAs which are in their first year of operation may not be accredited, and are indicated as "Exempted - 1st year". As such, EAs who have started operation since 16th November 2008, as shown in the list, do not need to be accredited to place FDWs.

Please note that EAs listed as "Not Accredited" are not allowed to place FDWs until they have obtained their accreditation.

5. Licence Expiry Date

Employment Agency (EA) licences are granted for one year. EAs may apply to renew their licence prior to the expiry date.

6. Demerit Points

The demerit points system was introduced on 1 Feb 06. Demerit points are issued to EAs when the EA infringes the Employment Agencies Act, Rules or Licensing Conditions, and the demerit points are valid for a period of 6 months from the date they were administered. EAs which accumulate 12 or more demerit points at any point in time would be placed on MOM's surveillance. These EAs have been warned that further infringements may lead to licence revocation.

S/N	EA Licence No	EA Name	Placement Volume[1](as at 15 Dec 2009)	Retention Success Rate[2] (in percentage)(as at 15 Dec 2009)	Entry Test Passing Rate[3] (in percentage)(as at 30 Nov 2009)	Accreditation Body (Only applicable for EAs which have placed Foreign Domestic Workers in preceding 12 months)[4]	Date when Licence was First Issued	Date of Licence Expiry[5]	Demerit Points[6] (As at 15 Dec 2009)
