

# TIPS TO KEEP YOUR DORM PEST-FREE

## KEEP YOUR AREAS CLEAN

Clean your floor and living areas regularly (e.g. using detergent)

## KEEP FOOD PROPERLY

Cover and store all food items in closed containers

## REMOVE BREEDING SITES

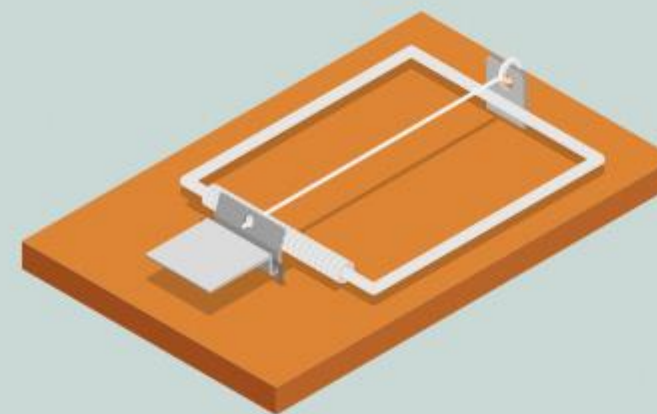

Throw away empty carton boxes, newspapers, and other unwanted items

## REMOVE ENTRY POINTS

Cover any holes where pests may enter, especially gaps between walls and floors

## PREVENT PEST INFESTATION

*\*avoid touching dead rats*

Use pest control measures such as insecticides and rat traps to prevent pest infestation
