International Migrants Day (IMD) 2022

IMD Main Event on 18 Dec

Following the success of the IMD launch event on 10 Dec, we saw a huge crowd at our IMD main event at Little India on 18 Dec.

From game booths to cultural performances, our MWs friends were treated to a variety of events and activities that captivated the audience.

We hope that our MWs friends had a memorable IMD 2022 and we look forward to seeing you at our next IMD event in 2023!

Performances and event booths

Our partners had put together an interesting lineup of activities and performances for our MW friends.

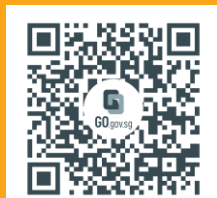

Besides performances, there were many booths which shared helpful information with our MWs such as scam prevention and first aid skills.

Games

Game booths such as arcade machines and air hockey were also one of the many activities that our partners had provided for our MW friends to enjoy during IMD.
