Our Migrant Community

Meet Shyam! A migrant worker who enjoys taking photos of buildings, streets and portraits.

Ever since he saved up for his camera, he brings his camera everywhere he goes so that he is able to capture a picture-perfect photo.

Event highlights

Deepavali light up ceremony at Little India

The Little India Shopkeepers and Heritage Association (LiSHA) invited more than 200 migrant workers to take part in the Deepavali light up ceremony at Little India.

The festive spirit was definitely felt at the venue as our migrant workers were treated to live performances by our local celebrities.

Soccer tournament at Global Indian International school

In partnership with the Global Indian International School and NGO, Big at Heart, ACE organised an indoor football game between the migrant workers and the international school students.

While prizes were given away, the biggest takeaway of our participants was the engagement between the students and migrant workers, and the new bonds forged from the game of soccer.

Excursion event to Gardens by the Bay

Working with partners such as SG Accident Help Centre and Singapore Youth for Christ, ACE brought our migrant workers on a fun excursion to Gardens by the Bay! After visiting the popular attraction, these migrant workers headed to Sojourn café where they participated in a games day event. It was a fun-filled day for both volunteers and migrant workers!
