To all Authorised Examiner (Lifting Equipment),

UPDATED LIST OF MOBILE CRANES GRANTED EXTENSION OF SERVICE LIFE

The Occupational Safety and Health Division had since 2003, granted the extension of service life of the mobile cranes as tabulated in Appendix 1.

2. The Division had required all these respective crane owners to implement all the following recommendations made by the third party inspection agency:

- i) Inspection/maintenance scheme;
- ii) Log record book for daily operations;
- iii) Annual audit of the above records by a third party inspection agency;
- iv) Annual general inspection of the crane by a third party inspection agency.

3. Any authorised examiner carrying out the first statutory inspection of the crane (listed in Appendix 1) after the approval date of the extension of service life as listed, shall remind the owner to implement all the recommendations in paragraph 2.

4. Any authorised examiner carrying out subsequent statutory inspections on these cranes shall do the following:

- i) verify that the owner had implemented all the above requirements stated in paragraph 2;
- ii) state your verification clearly in the remarks column of the Certificate of Test/Thorough Visual Examination of Lifting Equipment.

Authorised examiner shall not register the crane if the above requirements are not fully and completely implemented.

5. For your compliance with immediate effect.

Yours faithfully,

KATHERINE NG LEE SHIAN
