

Tripartite Implementation Workgroup

Background

The TIWG was set up in October 2007 under the Tripartite Committee on Employability of Older Workers, to focus on implementation issues of re-employment, and to help companies and the industry to adopt re-employment early. The TIWG is led by Mr Alexander Melchers (Singapore National Employers Federation) and comprises representatives from the National Trades Union Congress (NTUC), Association of Small and Medium Enterprises (ASME), SNEF, Singapore Workforce Development Agency (WDA), Public Service Division (PSD) and Ministry of Manpower (MOM).
