

Annex C

SCAL WAH Awareness Workshops

- a. The series of half day workshops are organized free of charge for all SCAL members. The workshops, jointly organized by the MOM Accredited Training Providers on WAH, will be held at the Multi Purpose Hall at SCAL's Construction House at 1 Bukit Merah Lane 2.
- b. The first run of the workshop is on 7 July 2011. Participants will learn to identify work at height hazards as well as be trained in the use and maintenance of personal fall protection equipment.

About Singapore Contractors Association Limited (SCAL) and SCAL Academy

- a. The Singapore Contractors Association Ltd (SCAL) being the official representative of the construction industry in Singapore was formed since 1937. With more than 2000 members under her wing, works carried out by SCAL members represents more than 75% of the projects within the industry in Singapore.
- b. SCAL Academy, the training arm under SCAL, is established with the objective to plan and design training courses to address the industry's training needs. (Please refer to www.scal.com.sg for further details on SCAL and SCAL Academy)
