	Above 65 years	6.5	5	11.5	1	1	9.5

\* As is the current practice, low wage workers in the affected age groups and earning between \$50 and \$1,500 will see pro-rated increases in their employer and employee CPF contribution rates. This approach enhances the employability for the older low wage workers. Further details on contribution rates are available on CPF Board's website: [www.cpf.gov.sg](http://www.cpf.gov.sg).
