A message from our migrant worker

Meet Islam Rockybul, a migrant worker from Bangladesh. Here is what he has to share with us:

When I was at Mustafa Centre, a man pretending to be a MOM officer approached me and told me I was fined \$300. As I knew that MOM would never ask me to pay the money on the spot and he was not able to show his ID, I quickly called the police and he ran away. To my friends, please do not be scared. If you feel something is wrong, please call the police for help.

Event highlights (Lunar New Year Edition)

Celebrations at Westlite Kranji Dormitory!

Various celebrations with our partners were conducted to celebrate the Lunar New Year with our migrant workers!

On 6 February 2022, Minister for Manpower, Dr Tan See Leng and Senior Minister of State, Dr Koh Poh Koon celebrated the festive holiday with residents of Westlite Kranji. Calligraphy, goodie bag distributions and an art and craft workshop were just some of the activities on that day.

Excursion to the Singapore Chinese Cultural Centre

On 13 February, together with our NGO partner, COVID-19 Migrant Support Coalition (CMSC), MOM brought a group of migrant workers from various dormitories to the Singapore Chinese Cultural Centre (SCCC) where they learn more about Singapore's multi-cultural identity through our history, food and festivals.

A big thank you to CMSC and SCCC for co-organising this excursion with us!

Celebrations at the Recreation Centre

Activities were also held at Kranji Recreation Centre. They were treated to lantern workshops, art competitions and other activities. Mandarin oranges were also distributed across the various Recreation Centres.
