

LIST OF WORKPLACE SAFETY & HEALTH COURSES

Updated as at 1 Mar 2021

No.	Courses	Relevant Reference in Legislation	Descriptions
<u>LSP Courses</u>			
1	LSP: Surface Supplied Diving Equipment (SSDE) Diver Course	Paragraph S12(3)(e) of the WSH Act	An employee who carries out commercial diving operations using SSDE
2	LSP: Surface Supplied Diving Equipment (SSDE) Diving Supervisor Course	Paragraph S12(3)(e) of the WSH Act	An employee who supervises commercial divers using SSDE in their diving
3	LSP: Commercial Self Contained Underwater Breathing Apparatus (CSCUBA) Diver Course	Paragraph S12(3)(e) of the WSH Act	An employee who carries out commercial diving operations using CSCUBA
4	LSP: Commercial Self Contained Underwater Breathing Apparatus (CSCUBA) Diving Supervisor Course	Paragraph S12(3)(e) of the WSH Act	An employee who supervises commercial divers using CSCUBA in their diving
5	LSP: Shipyard Safety Instruction Course, Hotwork Trade	Paragraph R6(3) and R32 of the WSH (Shipbuilding and Ship-Repairing) Regulations 2008	An employee who carries out hot-work in a marine/shipyard industry.
6	LSP: Shipyard Safety Instruction Course, Painter Trade	Paragraph R6(5) of the WSH (Shipbuilding and Ship-Repairing) Regulations 2008	An employee who carries out spray painting work in a marine/shipyard industry.
7	LSP: Occupational First Aid Course	Paragraph R5(2) of the WSH (First-Aid) (Amendment) Regulations 2011	A person who is appointed as a first-aid in a workplace.
8	LSP: Safety Orientation Course (Tunneling) for Workers	Paragraph R88 and R9(1) of the WSH (Construction) Regulations 2007	An employee who carries out work in a tunnel in a worksite.
9	LSP: Workshop to Enhance the Safety of Crane Operators (WESCO)	Paragraph R7(1) of the WSH (Construction) Regulations 2011	To raise the safety competence of crane operators
<u>WSQ Courses:</u>			
10	WSQ: Perform Design for Safety Professional Duties (fka Design for Safety for Professionals)	Paragraph 8(1) of the WSH (Design for Safety) Regulations 2015 (Paragraph 2.3 of DFS Guidelines)	The Design-for-Safety Professional is appointed by the Developer and is required to convene the Design-for-Safety review meeting and prepare the Design-for-Safety register. The course will prepare qualified individuals for this role by explaining the roles of the stakeholders, <u>teaching the basics of risk assessment, as well as provide case studies for role play.</u>
11	WSQ: Perform Industrial Audiometric Screening (fka Industrial Audiometry Course)	Paragraph 6(2) of the WSH (Medical Examination) Regulations 2011	An employee who carries out audiometric examinations.
12	WSQ: Supervise Manufacturing Work for WSH(fka Basic Industrial Safety & Health Course for Supervisors)	Paragraph 2(10) of the Factories (Safety Training Courses) Order	An employee who supervises any process or work carried out in metalworking industry.
13	WSQ: Apply Workplace Safety and Health in Shipyard (General Trade) (fka Shipyard Safety Instruction Course for Worker (General Trade))	Paragraph R6(2) of the WSH (Shipbuilding and Ship-Repairing) Regulations 2008	An employee who carries out hazardous work in a shipyard or on board a ship in a harbour.
14	WSQ: Supervise Marine Work for WSH (fka Shipyard Supervisor Safety Course)	Paragraph R6(7) of the WSH (Shipbuilding and Ship-Repairing) Regulations 2008	An employee who supervises work and process in the marine/shipyard industry.
15	WSQ: Manage Workplace Safety and Health in Shipbuilding and Ship Repair (fka Safety Instruction Course for Ship-Repair Manager)	Paragraph R7(2) of the WSH (Shipbuilding and Ship-Repairing) Regulations 2008	An employee who co-ordinates safely all activities relating to the construction or repair of the ship and who approves of all works on the ship before their commencement.
16	WSQ: Assess Shipyard Safety for Hot-Work Certification (fka Shipyard Safety Assessor (Hot-Work Certifications))	Paragraph R27(3) of the WSH (Shipbuilding and Ship-Repairing) Regulations 2008	A person who is appointed as competent person to carry out duties of a safety assessor under permit-to-work (PTW) system for any hot-work is or is to be carried out in a shipyard or on board a ship in a harbour.
17	WSQ: Operate Explosive Powered Tools (fka Explosive Powered Tools Operator Course)	Paragraph R2 of the WSH (Explosive Powered Tools) Regulations 2009	An employee who operates the explosive powered tool.
18	WSQ: Perform Metal Scaffold Erection (fka Metal Scaffold Erection Course)	Paragraph R5 of the WSH (Scaffolds) Regulations 2011	An employee who carries out erection, installation, re-positioning, alteration and dismantling of scaffold.
19	WSQ: Supervise Metal Scaffold Erection (fka Supervision of Metal Scaffold Erection Course)	Paragraph R6(2) of the WSH (Scaffolds) Regulations 2011	An employee who supervises workers involving erection, installation, re-positioning, alteration or dismantling of a scaffold.
20	WSQ: Perform Rigging of Suspended Scaffold (fka Suspended Scaffolding Riggers' Course)	Paragraph R5 of the WSH (Scaffolds) Regulations 2011	A person who carries out erection, installation, repositioning, alteration and dismantling of suspended scaffold.

No.	Courses	Relevant Reference in Legislation	Descriptions
21	WSQ: Supervise Suspended Scaffold (fka Suspended Scaffold Supervisor Course)	Paragraph R6(2) of the WSH (Scaffolds) Regulations 2011	A person who supervises workers involving erection, installation, re-positioning, alteration or dismantling of a suspended scaffold.
22	WSQ: Erect Metal Scaffold in Marine Industry (fka Marine Metal Scaffolding for Scaffolders)	Paragraph R5 of the WSH (Scaffolds) Regulations 2011	An employee who carries out erection, installation, re-positioning, alteration and dismantling of scaffold in the marine/shipyard industry.
23	WSQ: Supervise Metal Scaffold in Marine Industry (fka Marine Metal Scaffolding for Supervisors)	Paragraph R6(2) of the WSH (Scaffolds) Regulations 2011	An employee who supervises workers involving erection, installation, re-positioning, alteration or dismantling of a scaffold in the marine/shipyard industry.
24	WSQ: Perform Manhole Safety Assessment (fka Manhole Safety Assessor)	Paragraph R9(b) of the WSH (Confined Spaces) Regulations 2009	An employee who is appointed to test the atmosphere of manhole, sewer etc which are confined spaces.
25	WSQ: Perform Work-at-Height (fka Work-At-Height course for Workers)	Paragraph R6 of the WSH (Work at Heights) Regulations	An employee who works at height.
26	WSQ: Manage Work-At-Height (fka Managing Work-At-Height)	Paragraph R7, R20(1)(a) and R20(1)(b) of the WSH (Work at Heights) Regulations	1) An employee who supervises workers carrying out or are to carry out any work at height. 2) A person who is appointed as competent person to carry out duties of an authorised manager under permit-to-work (PTW) system for hazardous work at height. 3) A person who is appointed as competent person to carry out duties of a work- at- height (WAH) safety assessor under permit-to-work (PTW) system for
27	WSQ: Perform Man-lock Attendant Duties for Compressed Air Work (fka Compressed Air Work (Man-lock))	Paragraph R108(3)(c) of the WSH (Construction) Regulations 2007	An employee who is appointed as a Man-Lock Attendant in a workplaces.
28	WSQ: Perform Medical-Lock Attendant Duties for Compressed Air Work (fka Compressed Air Work (Medical Lock))	Paragraph R108(3)(c) of the WSH (Construction) Regulations 2007	An employee who is appointed as a Medical lock Attendant in a workplaces.
29	WSQ: Manage Workplace Safety and Health in Construction Sites (fka Construction Safety Course for Project Managers)	Paragraph 2(5) of the Factories (Safety Training Courses) Order and paragraph R9(2) of the WSH (Construction) Regulations 2007	An employee who is appointed as a project manager to be in charge of all construction activities in building and engineering construction worksites of a contract sum of \$10 million or more.
30	WSQ: Supervise Workplace Safety and Health for Formwork Construction (fka Formwork Safety Course for Supervisors)	Paragraph 2(4) of the Factories (Safety Training Courses) Order and paragraph R60(1), (3) of the WSH(Construction) Regulations 2007 - Reg 60	An employee who is appointed as a formwork supervisor to supervise the construction, erection, alteration or dismantling of formwork structures in building and engineering construction worksites.
31	WSQ: Perform Formwork Activities (fka Formwork Safety Course for Workers)	Paragraph R9(1) of the WSH(Construction) Regulations 2007	Any person who carries out manual work in a worksite shall have received adequate safety and health training for the purpose of familiarizing the person with the hazards associated with such work and the precautions to be observed.
32	WSQ: Apply Workplace Safety and Health in Logistics and Transportation (fka Logistic & Transport Safety Orientation Course)	Paragraph S12(3)(e) of the WSH Act	An employee from the logistics and transport industry carrying out manual work.
33	WSQ: Apply Workplace Safety and Health in Construction Sites (Previously 'Construction Safety Orientation Course', CSOC)	Paragraph 2(1) of the Factories (Safety Training Courses) Order and paragraph of the R9(1) of the WSH(Construction) Regulations 2007	An employee who carries out manual work in building and engineering construction worksites.
34	WSQ: Supervise Construction Work in Workplace Safety and Health (Previously 'Building Construction Safety Supervisors Safety Course')	Paragraph R9(2) of the WSH (Construction) Regulations 2007	An employee who supervises work carried out in a building and engineering construction worksites.
35	WSQ: Apply Workplace Safety and Health in Metal Work (Previously 'Safety Orientation Course for workers (Metalworking))	Paragraph 2(9) of the Factories (Safety Training Courses) Order	An employee who is a manual worker carrying out work in a factory engaged in the manufacture of basic metals, fabricated metal products, machinery or equipment and electrical machinery and apparatus.
36	WSQ: Supervise Tunnelling Work for Workplace Safety & Health (Previously 'Building Construction Safety Supervisors (Tunnelling) course')	Paragraph R88 and R9(2) of the WSH (Construction) Regulations 2007	An employee who supervises any process or work in a tunnel carried out in a building and engineering construction worksite.
37	WSQ: Apply Workplace Safety and Health in Process Plant (Previously 'Oil/ Petrochemical Safety Orientation Course')	Paragraph 2(6) of the Factories (Safety Training Courses) Order	An employee who works in the oil and petrochemical industry carrying out manual work.
38	WSQ: Supervise Workplace Safety and Health in Process Plant (Previously 'Oil / Petrochemical Industry Safety Course for Supervisors')	Paragraph 2(7) of the Factories (Safety Training Courses) Order	An employee who supervises any process or work carried out in oil and petrochemical industry.
39	WSQ: Develop a Risk Management Implementation plan (bizSAFE Level 2)	A Risk Management (RM) Champion who is appointed by the company to chart out the company's RM Implementation Plan.	
40	WSQ: Develop a Workplace Safety and Health Management System Implementation Plan (bizSAFE Level 4)	A Workplace Safety and Health Management System (WSHMS) Programme Lead appointed by the company to develop a WSH Implementation Plan for the company.	
41	WSQ: Certificate in Workplace Safety & Health (Level A)		

No.	Courses	Relevant Reference in Legislation	Descriptions
42	WSQ: Advanced Certificate in Workplace Safety & Health (Level B)	Paragraph R6(3)(a) of the WSH (Construction) Regulations 2007	An employee who assists the occupier to identify unsafe conditions, recommend and implement measures.
43	WSQ: Specialist Diploma in Workplace Safety & Health (Level C)	Paragraph R3(a)(i) of the WSH (WSHO) Regulations	An employee who assists the occupier of the workplace in identifying, assessing and recommending to eliminate any risk as well as implement measures or safe
44	WSQ: Graduate Certificate in Workplace Safety & Health (Level D)	Paragraph R4(1)(a) of the WSH (SHMS & Auditing) Regulations	A person who is appointed to audit risk assessment relating to the work process and workplace.
45	WSQ: Operate Lorry Crane	Paragraph R5(4) of the WSH (Operation of Cranes) Regulations 2011	An employee who operates a lorry loader.
46	WSQ: Operate Boom Lift	Paragraph R21(12) of the WSH (General Provisions) Regulations	An employee who operates a Boom Lift .
47	WSQ: Operate Scissor Lift	Paragraph R21(12) of the WSH (General Provisions) Regulations	An employee who operates a Scissor Lift.
48	WSQ: Operate Vertical Personnel Platform	Paragraph R21(12) of the WSH (General Provisions) Regulations	An employee who operates a Vertical Personnel Platform.
49	WSQ: Operate Forklift	Paragraph 2(8) of the Factories (Safety Training Courses) Order	An employee who drives or operates a forklift truck in a factory.
50	WSQ: Control Noise and Vibration	Paragraph 5(1) of the WSH (Noise) Regulations 2011	An employee who is appointed to advise the occupier of the workplace on noise control measures.
51	WSQ: Monitor Noise and Vibration	Paragraph R7(3)(a) of the WSH (Noise) Regulations 2011	An employee who is appointed to carry out noise monitoring process.
52	WSQ: Supervise Safe Lifting Operations (Previously 'Lifting Supervisor Safety Course')	Paragraph R17(2)(a) of the WSH (Operation of Cranes) Regulations 2011	An employee who is appointed as a Lifting Supervisor to supervise workers involving lifting works by crane.
53	WSQ: Perform Rigger & Signalman Tasks	Rigger - Paragraph R18(2) of the WSH (Operation of Cranes) Regulations 2011. Signalman - Paragraph R19(2) of the WSH (Operation of Cranes) Regulations 2011	Rigger - An employee who carries out rigging operation involving the lifting works of mobile or tower crane. Signalman - An employee who carries out signalling operation involving the lifting works of mobile or tower crane.
54	WSQ: Perform Work in Confined Space Operation (Previously Safety Orientation Course for workers (Manhole))	Paragraph 2(2) of the Factories (Safety Training Courses) Order and paragraph R21(1) of the WSH(Confined Spaces) Regulations 2009	An employee who carries out work in confined spaces, such as chamber, tank, manhole, vat, silo, pit, pipe, flue or other enclosed space.
55	WSQ: Supervise Work in Confined Space Operation (Previously 'Safety Instruction Course (Manhole) for Supervisor)	Paragraph 2(3) of the Factories (Safety Training Courses) Order and paragraph R21(2) of the WSH(Confined Spaces) Regulations 2009	An employee who is appointed as a manhole supervisor to supervise work carried out in manholes or confined spaces in building and engineering construction worksites.
56	WSQ: Assess Confined Space for Safe Entry and Work (Previously 'Confined Space Safety Assessor Course')	Paragraph R9(b) of the WSH (Confined Spaces) Regulations 2009	An employee who is appointed as a confined space safety assessor to test the atmosphere of a confined space, such as chamber, tank, manhole, vat, silo, pit, pipe, flue or other enclosed space.
57	WSQ: Specialist Diploma in Occupational Hygiene	Any employee may attend the workplace occupational hygiene course in any respect of every worksite.	
58	WSQ: Survey Asbestos and Other Fibres Risks at the Workplace	Paragraph R4(2) of the WSH (Asbestos) Regulations	A person appointed to conduct asbestos survey.
59	WSQ: Remove Asbestos from Workplace	Paragraph R15(3) of the WSH (Asbestos) Regulations	A person appointed to supervise asbestos-removal work.
	Others		
60	NEA: Management of Hazardous Substances or WSQ: Manage Hazardous Substance	Paragraph R41(1) of the WSH (General Provisions) Regulation	An employee who manages and controls toxic or harmful substances.
61	NEA: Sampling & Monitoring of Airborne Contamination or WSQ: Measure Exposure & Assess the risks due to Hazardous Substance	Paragraph R39(7) of the WSH (General Provisions) Regulations	An employee who monitors, tests and assesses the environment of any workplace for potential health hazards, and to take air samples in the breathing zone of the persons who are exposed to toxic dust, fumes, gases, vapours, mists or fibres or other contaminants by using appropriate personal sampling equipment.
62	BCA: Mobile Crane (Truck Mounted) Operation Course	Paragraph of R5(1) of the WSH (Operation of Cranes) Regulations 2011 & definition of "registered crane operator"	An employee who operates a mobile crane (Truck Mounted).
63	BCA: Mini Crane (crane with capacity not exceeding 5 tonnes) Operation Course	Paragraph of R5A(1)(a) of the WSH (Operation of Cranes) Regulations 2011	An employee who operates a mni crane (crane with capacity not exceeding 5 tonnes).

No.	Courses	Relevant Reference in Legislation	Descriptions
64	BCA: Luffing Jib Tower Cranes Operation Course	Paragraph of R5(1) of the WSH (Operation of Cranes) Regulations 2011	An employee who operates a Luffing Jib tower crane.
65	Workshop for CEO/ Top Management (bizSAFE Level 1)
