

FACTSHEET ON CAREER SUPPORT PROGRAMME

From 1 April 2017, the Career Support Programme (CSP) will be enhanced to support eligible Singapore Citizen PMETs with salary support up to \$42,000 for a maximum of 18 months. The CSP provides wage support to encourage employers to hire mid-career PMETs.

Employers can receive salary support of up to a maximum of 18 months for every eligible Singapore Citizen PMET employed (see [Table 1](#)). This will help defray a portion of their salary bill as employers tap on the pool of experienced and skilled PMETs.
